

Safeguarding Policy – Annex 1

COVID-19 school closure arrangements for Safeguarding and Child Protection at Crest Infant & Nursery school

Crest Infant & Nursery School has a Designated Safeguarding Lead (DSL) and two Deputy DSLs.

The Designated Safeguarding Lead is: **Jane Shields** (Headteacher)

The Deputy Designated Safeguarding Leads are: **Kerry Seales** (Deputy Headteacher) and **Jade Marco** (Inclusion Lead)

Original policy: 03/04/2020 UPDATED: January 2021 in light of the second national lockdown and partial closure of schools

Policy owner: Jane Shields Date:06/01/2021

Date shared with staff:06/01/2021

Date shared with Governing Body: 06/01/2021 (via email)

15. COVID-19 school closure - Safeguarding Support	12
16. School specific emergency procedures	14

1. Context

- From 5th January 2021 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for vulnerable pupils and the children of workers critical to the COVID-19 response, **who absolutely need to attend (updated 8th January 2021)**
- Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.
- This addendum of the Crest Infant & Nursery Whole School Safeguarding Policy (including Child Protection) contains details of our individual safeguarding arrangements in the following areas:

Key contacts

Role	Name	Email
Designated Safeguarding Lead	Jane Shields	headteacher@crestinf.medway.sch.uk
Deputy Designated Safeguarding Lead	Kerry Seales	office@crestinf.medway.sch.uk
Deputy Designated Safeguarding Lead	Jade Marco	office@crestinf.medway.sch.uk
Headteacher	Jane Shields	As above
Chair of Governors	Nicola Archenoul	office@crestinf.medway.sch.uk
LA Support	Kate Barry	schoolsupport@medway.com

2. Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Crest Infant & Nursery school will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be: **Jane Shields**.

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Crest Infant & Nursery school will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, Crest Infant & Nursery school or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Crest Infant & Nursery school will encourage our vulnerable children and young people to engage in learning, including remotely if needed.

3. Attendance monitoring

Local authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance.

Crest Infant & Nursery school and social workers will agree with parents/carers whether children in need should be attending school. Crest Infant & Nursery school will then follow up on any pupil that they were expecting to attend, who does not. Crest Infant & Nursery school will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

HOW WILL THIS LOOK IN YOUR SCHOOL?

To support the above, Crest Infant & Nursery School will, when communicating with parents and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, Crest Infant & Nursery school will notify their social worker. **The school will also put measures into place to ensure regular welfare calls are made to the family.**

4. Designated Safeguarding Lead

Crest Infant & Nursery School has a Designated Safeguarding Lead (DSL):
Jane Shields - Headteacher

We have two Deputy DSLs, who are trained to the same level as the DSL:

Kerry Seales – Deputy Headteacher
Jade Marco – Inclusion Lead

Their remit includes updating and managing access to child protection online management system, (CPOMS) and liaising with the offsite DSL (or deputy) and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school.

It is important that all Crest Infant & Nursery School staff and volunteers have access to a trained DSL (or Deputy).

On each day staff on site will be made aware of who that person is and how to speak to them.

The DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

The DSL team will hold regular discussions about vulnerable pupils via CPOMS and telephone/video link meetings.

5. Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via (CPOMS), which can be done remotely.

In the unlikely event that a member of staff cannot access CPOMS from home, they should email the Designated Safeguarding Lead and the Deputy DSLs. This will ensure that the concern is received.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should use CPOMS to report the concern to the DSL. If there is a requirement to make a notification to the DSL whilst away from school, this should be done verbally and followed up with an email to the DSL.

If a child is at risk of imminent danger or harm concerns will need to be referred by telephone to:

First Response 01634 334466 and/or the police.

If it is an emergency the police need to be called on 999.

If there are child protection concerns the role of the school is NOT to investigate but to recognise and refer

Less urgent concerns or requests for support will be referred to Children's social care and Early Help via the Medway online form ([the portal](#))

6. Allegations Against Members of Staff and Volunteers

All staff and volunteers should feel able to raise concerns about poor or unsafe practice and such concerns will always be taken seriously by the senior leadership team.

If staff have safeguarding concerns, or an allegation is made about another member of staff (including volunteers) posing a risk of harm to children, then:

- Allegations should be referred immediately to the Headteacher who is also the DSL, or to deputy DSL in their absence, who will first contact the Local Authority Designated Officer (LADO) to agree further action to be taken in respect of the child and staff member. Please refer to the Medway [LADO Leaflet](#) if you need further information.
- In the event of allegations of abuse being made against the Headteacher then staff are advised that allegations should be reported to the Chair of Governors (Nicola Archenoul) who will contact the LADO in the first instance.

- Any member of staff or volunteer who does not feel confident to raise their concerns with the Headteacher or Chair of Governors should contact **the LADO directly on 01634 331065.**

7. Safeguarding Training and induction

DSL training is very unlikely to take place face to face whilst there remains a threat of the COVID 19 virus. All DSLs have received virtual training since September 2020.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read Part 1 of Keeping Children Safe in Education (2020). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter Crest Infant & Nursery School, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

Upon arrival, they will be given a copy of the receiving setting's child protection policy, confirmation of local processes and confirmation of DSL arrangements.

8. Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Crest Infant & Nursery school will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2020) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where Crest Infant & Nursery School are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Crest Infant & Nursery School will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

Crest Infant & Nursery school will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice, for making a referral.

During the COVID-19 period all referrals should be made by emailing Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Crest Infant & Nursery school will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

9. Online safety in schools and colleges

Crest Infant & Nursery School will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

10. Children and online safety away from school and college

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out in the Crest Infant & Nursery School professional expectations document.

Crest Infant & Nursery School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Currently the school is not embarking on live teaching sessions due to the age of our children. However, if we move to this as a teaching tool, we will consider the following when delivering virtual lessons, especially where webcams are involved:

- No 1:1s, groups only
- Staff and children must wear suitable clothing, as should anyone else in the shot view.
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be blurred.
- The live class should be recorded so that if any issues were to arise, the video can be reviewed.
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day.
- Language must be professional and appropriate, including any family members in the background.
- Staff must only use platforms provided by Crest Infant & Nursery School to communicate with pupils
- Staff should record, the length, time, date and attendance of any sessions held.

11. Supporting children not in school

Crest Infant & Nursery School is committed to ensuring the safety and wellbeing of all its children and their families.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

Details of this plan must be recorded on CPOMS, as should a record of contact have made.

The communication plans can include; remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded.

Crest Infant & Nursery school and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

Crest Infant & Nursery School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers. **Teachers and support staff** at Crest Infant &

Nursery School need to be aware of this in setting expectations of pupils' work where they are at home.

Crest Infant & Nursery School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on CPOMS.

12. Supporting children in school

Crest Infant & Nursery School is committed to ensuring the safety and wellbeing of all its students.

Crest Infant & Nursery School will continue to be a safe space for all children to attend and flourish.

The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

Crest Infant & Nursery School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Crest Infant & Nursery School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on CPOMS.

Where Crest Infant & Nursery School has concerns about the impact of staff absence, such as our Designated Safeguarding Lead or first aiders, the Headteacher will discuss them immediately with a local authority representative.

13. Peer on Peer Abuse

Crest Infant & Nursery School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within the school's own Safeguarding & Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multiagency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on CPOMS and appropriate referrals made.

14. COVID-19 school closure - Contact details

Education Safeguarding Officers (Education Safeguarding Service)

Support for Pupils

☐ **Dave the Dog is worried about coronavirus – Downloadable book**

A book for children about coronavirus that aims to give information without fear.

With everything that is going on at the moment; big changes to children's routines and lots of stories on the news it can be a really scary time for children. This book aims to open up the conversation about coronavirus and some of the things they might be hearing about it and provide truthful information in a reassuring and child friendly manner. Click Here -<https://nursedottybooks.com/dave-the-dog-isworried-about-coronavirus-2/>

☐ **Covibook**

Download the book to discuss the range of emotions arising from coronavirus
<https://www.mindheart.co/descargables>

☐ **E-Bug – Washing your hands:** Use [e-Bug](#) resources to teach pupils about hygiene.

☐ **The Children's Commissioner Children's Guide to coronavirus**

There have been big changes in our lives because of coronavirus, so The Children's Commissioner have created a children's guide to coronavirus to help explain the situation.

<https://www.childrenscommissioner.gov.uk/publication/childrens-guide-to-coronavirus/>

- **SEND -Coronavirus explainer in Makaton (Ineqe)** - Children with a range of SEND needs may be struggling right now, perhaps through lack of routine or not understanding how things are.

Holly Rankin, is the Special Educational Needs Advisor at Ineqe and in this video explains Coronavirus using Makaton: <https://youtu.be/9OS8vbjr2-Q>

Support for parents/carers

- **Talking to a child worried about Coronavirus**

The NSPCC has created a new webpage with information and advice for parents or carers who are worried a child or young person may be struggling with their mental health or has anxiety about Coronavirus. The webpage includes information on: talking about feelings and worries; keeping in touch and balancing screen time; ways to create structure and routine; and helping to give children a sense of control. Read more information and advice on the links below:

Talking to a child worried about coronavirus (COVID-19)

Department for Education coronavirus helpline

The Department for Education coronavirus helpline is available to answer questions about COVID-19 relating to education and children's social care. Staff, parents and young people can contact this helpline as follows:

Phone: 0800 046 8687

Opening hours: 8am to 6pm (Monday to Friday), 10am to 4pm (Saturday to Sunday)

17. Emergency Safeguarding Procedures During a long term School Closure

Overall aims:

1. Ensure all children have contact with staff at least once a week.
2. All vulnerable families to have additional contact with any concerns reported to the DSL team and documented.

Current Child Protection concerns – those on a CP Plan

- Twice weekly (minimum) video calling to the family home with the aim of speaking to all the children in the household.
- Phone contact with the parent once a week
- Offer of food support via the school
- Regular liaison with other professionals associated with the family
- Attend meetings (including virtually) as required
- Use of CPOMS to support and monitor

Vulnerable families who are not on a CP Plan

- Phone contact once a week
- Offer of food support via the school
- Use of CPOMS to record and monitor

Families in financial hardship

- Phone contact once a week
- Offer of food support via the school
- If needed, food bank to be highlighted

Staff protocols:

- Only school contact numbers to be used, not personal ones
- Only school email addresses to be used, not personal
- No personal/sensitive information to be removed from the school
- All emails sent containing sensitive information are to be encrypted or password protected
- Any causes for concern to be reported on CPOMS as usual **unless you feel there is immediate danger to the child. In that case ring 999** then inform Jane Shields (DSL).
