CHRISTMAS JUMPER DAY!

We raised a fantastic £170 from Christmas Jumper Day which will be donated to the Alzheimer's Society.

Thank you all for your support this year with all our fund raising events.

CHRISTMAS CHEER!

A HUGE thank you again to Louise who managed to secure a present for each of our wonderful children. Lou contacted Stephen Gray of the Young Lives Foundation which is a charity providing support to children and young people within Medway and Kent. She thought we may be lucky and get 10 present to distribute to our families. However, the Charity said they had been overwhelmed with generous gifts from the public. As a result, we received a present to give to each child in our school.

On behalf of all the children, thank you so much, Louise 😊
